

COMMANDER IN CHIEF
ALLIED FORCES SOUTHERN EUROPE

12 JAN 1977

Dear Jack,

Well, I certainly was delighted to have the situation cleared up as to who that mysterious Air Force officer was here during the first week in December. I am very sorry, however, that our paths didn't cross. Do let me know if anything is going to bring you this way again.

Your new assignment sounds exciting. I admire the way the Air Force tackles programs like this; e.g., a full-time civilian at the 16th Air Force!

Thanks for passing on a recommendation for I recognize his chances may be slim, but I know he'll appreciate just being considered.

All the best.

Yours,
